

The image shows the main interface of the HCL Knowledge Assistant. At the top, there's a purple header bar with the text "HCL Knowledge Assistant" and "AI-Powered Knowledge Base for HCL Software Division". Below this is a dashboard with three cards: "12 Queries Today" (blue background), "Active System Status" (white background), and "Online AI Engine" (green background). The main area is titled "Query Mode:" and shows a dropdown menu set to "RAG - Document Retrieval". Below this, a message says "Try asking: 'What is the leave policy?' or 'Tell me about HCL DX'". A purple input bar at the bottom contains the text "You Give me Dx product information". A sidebar on the left lists "HCL Assistant" features: "The HCL DX (Digital Experience) product offers the following features and services: - Enterprise web content management - Portal solutions - Digital asset management". It also mentions "The pricing for HCL DX is an enterprise license starting at \$50,000 per year. Additionally, 24/7 global support is available for this product." At the bottom of the sidebar, it says "Sources: 3 items found (hybrid mode)" and "Confidence: N/A | Time: 0s".
